PROJECTS

College Fest Website

Team Project | HTML, CSS, JavaScript, Django

- Built a responsive website for our college festival with event details and registration.
- Worked on front-end design and content layout.

Anime Story Website (In Progress)

- Personal Project | HTML, CSS, JavaScript
- Creating a site for anime fans to read story summaries before watching.
- Features: search, anime list, and genre filters.

WORKSHOP

Cyber Security Workshop – Indian Institute of Science (IISc), Bangalore

Attended a workshop covering cybersecurity fundamentals and awareness. Discovered PHP info disclosure bugs on several websites, gaining practical insight into real-world vulnerabilities.
